*'Improving the quality of family life'*

## Newsletter – February 2012

Fidelis & Caspar both enjoyed celebrating their 9<sup>th</sup> birthdays with their friends. As you can see by the photos everyone loved dressing up at both birthday parties and joined in with lots of fun, interactive games. Thank you to both boys for bringing in such delicious cakes to share with their friends.

We have worked hard to extend our PE curriculum so that all of our pupils have the opportunity to take part in a variety of gross motor physical activities. We have just started using the facilities at specially built climbing and adventure equipment in North Kensington. Our pupils now have opportunities to swim, climb, do yoga, bike ride and for the older students learn how to use the gym and jog.

**Pedestrian Training with trainers for Kensington and Chelsea**  
**Travel Trainers:**

All of the pupils have really enjoyed taking part in travel training sessions last half term. Pupils have started to be more aware of the key things to remember when crossing the road safely: **STOP, LOOK, LISTEN & THINK**. It would be helpful if parents could reinforce this message when out & about.

Emily, Kamy and Clement have been learning how to use public transport to visit places they like. They are trying to use the buses and tube as independently as possible.

**Key Stage 3 PE:**

As our pupils grow older we want them to take part in activities that are age appropriate. We therefore provide older students with tennis, running and gym sessions to help develop their gross motor skills and confidence

**Reminder re Spring Term:**

**Term ends on:**

**Friday 30<sup>th</sup> March 2012**

**Children start back to school on:**

**Thursday 19<sup>th</sup> April 2012**
