

Snowflake School

'Improving the quality of family life'

Newsletter May to July 2013

We welcomed 2 new tutors Sinead & Tanesha and 2 new pupils, Abubakar & Assoweh, this term. They have all settled well and it wonderful to see the boys progress in just a matter of a few weeks.

Abubakar

Assoweh

Tanesha

Sinead

We have celebrated a number of birthdays this term: Sophia turned 7, Yael turned 10, Nathan turned 8, Clement turned 11 and Emily celebrated her birthday during the School Journey week when she turned 14. Happy birthday to you all xx

Key Stage 2 &3 School Journey:

The majority of our KS2 and 3 pupils went to Butlins for a week's School Journey. They had a wonderful time and especially enjoyed the amazing swimming pool with water shoots and fountains, loved walking along the beach and enjoyed the dance and theatre activities. It was also a great opportunity to practice independence skills such as making lunch, dressing and washing.

Thank you to all the staff who supported them during the trip.

Cooking: This term our Pupils have been cooking a variety of baked items and have been practicing mixing, measuring and pouring

Little Wormwood Scrubs Adventure Play and Climbing:

We re started our climbing and large apparatus sessions at Little Wormwood Scrubs this term. The pupils really enjoy going and it provides a wonderful environment for practicing gross motor skills, interactive play and socialisation.

A FOND FAREWELL

Jayne, Ella and Kirsty will all be leaving Snowflake at the end of the term to start new jobs. Jayne is moving to a new Headship up in West London, Ella is going to a new school closer to where she lives and Kirsty is moving to work with families on some home programmes. x

Ofsted Report:

Our outstanding Ofsted report has been noted by many people across London and we have received very positive feedback because of this. We continue to work together to enhance our work and aim to maintain this outstanding practice. Our last visit from Carol Roxburgh, our Carbone consultant, was very positive and she was please to

See the high quality of work across the school.

Goodbye and welcome:

We sadly said goodbye to Mathis and Clement this term. They have both moved on to new schools.

In September we will be welcoming some new younger pupils: Ismaeel and Sebastian.
