

Snowflake School Earls Court London
Supervisor
Applied Behaviour Analysis/Verbal Behaviour
£29,000 – £32,000 Term Time Only

Snowflake School is a small, friendly special school offering specialist education for children with Autism. We address each pupil's special educational needs through the scientific application of Applied Behaviour Analysis (ABA) using Verbal Behaviour (VB) methodology. Teaching with ABA/VB reduces challenging behaviour and helps pupils to build on their social, play and independence skills.

The ABA/VB Supervisor will be an active member of the Snowflake Leadership Group and have management responsibility for the supervision and training of a team of ABA/VB Tutors and the responsibility for setting the programmes of a caseload of pupils. You will use and develop your knowledge and understanding of Applied Behavioural Analysis and Verbal Behaviour approaches and methodology and share this expertise with other staff.

You will have a Degree or equivalent professional qualification. In addition you must hold a Board Certified qualification (BCBA/BCaBA) or a commitment to achieving this within two years. Experience of working with children with Autism in an educational setting is an essential requirement. You will have good observational skills, coaching and mentoring skills and be an excellent communicator.

Above all you must be prepared to put children first, treating each with dignity and respect.

Closing Date: 7th June 2018 Interviews: June 2018

Interested candidates are welcome to phone or email the school for an application pack and/or to arrange a visit
