Snowflake School is dedicated to providing education for children with Autism, aged 5 – 16 years. We address each student's special educational needs through the scientific application of Applied Behaviour Analysis (ABA) using Verbal Behaviour (VB) methodology delivered through individualised programmes.

We are seeking to appoint motivated individuals as ABA/VB Tutors to join Snowflake School from the start of the Summer Term in April 2017 and also the start of the Autumn Term in September 2017.
